The Court at the admission stage made the following:

ORDER:

The petitioner claims to have constructed a bus shelter in memory of his father by spending about 70 % of the cost of construction in the year 1982-83 and that the said bus shelter was demolished by the National Highway Authorities for road widening. It is also stated that the petitioner has provided an extent of Ac.0.15 cents of land to the Revenue authorities for construction of Inspector Building and the said Inspector Building was also demolished for the purpose of road widening and the said land is vacant and is convenient for construction of bus shelter. The grievance of the petitioner is that due to demolition of the bus shelter the general public is facing hardships and that he has made a representation to the first respondent dated 10-3-2004 to provide the above stated vacant site for construction of bus shelter and that no action is taken thereon and the said representation is remained unanswered. Hence, the present writ petition.

Heard the learned counsel for petitioner and learned Government Pleader for Revenue. Both counsel agreed for disposal of the writ petition at the stage of admission.

Since the representation of the petitioner dated 10-3-2004 is pending, the respondents are directed to consider the same and pass appropriate orders in accordance with law, expeditiously.

Accordingly, the writ petition is disposed of at the stage of admission.
